

Interfraternity Council

**Chapter Rosters
8-20-08**

WHEREAS the Interfraternity Council is a self governing organization; and

WHEREAS the Interfraternity Council, Panhellenic Council, and University of Minnesota agreed to and signed a Partnership Statement in 2005; and

WHEREAS the North-American Interfraternity Conference (NIC) adopted a set of Standards for its members and host campuses (http://www.nicindy.org/standards/standards_for_campuses/); and

WHEREAS the University of Minnesota, Office for Student Affairs, and Office for Fraternity & Sorority Life desire and are required to provide 100% accurate and comprehensive information and statistics; and

WHEREAS the collection and dissemination of accurate and comprehensive information and statistics will enhance and improve the credibility and functioning of the Interfraternity Council;

NOW, THEREFORE BE IT RESOLVED by the Interfraternity Council at the University of Minnesota and its member organizations that the following amendments will be made to the Council's bylaws.

In Article II, Section 4, A-E, every instance of "submit 90% of their membership" will be changed to "submit 100% of their membership".

In Article VII, Section 5, A, an amendment will be added stating "Chapters must notify the Office of Fraternity & Sorority Life within (72) hours whenever a new member "de-pledges" or a current member disaffiliates from the organization. The Office of Fraternity & Sorority Life then will remove the individual from the chapter's roster."

Furthermore, in order to provide accurate and comprehensive information and statistics-as required by the NIC Standards-the Council and its member organizations reaffirm Article VII, Section 5, A, vi, which states: "The Office of Fraternity and Sorority Life must be presented with the Official Blue New Member Card within (72) hours of a new member signing their bid card. A Chapter found failing to deposit a New Member's card will be issued a \$10 fine per new member."
